C

MEMBERSHIP OPTIONS
 choose one of the following options:

Regular Student Membership - \$25 U.S.D.
 (You will be eligible for all membership benefits including subscriptions to *Mechanical Engineering* magazine and *ASME News*.)

Free Limited Membership Option - available during first year in college only.
 (You will be eligible for all membership benefits **except** subscriptions to *Mechanical Engineering* magazine and *ASME News*;)

DO NOT remit \$25 USD - Your first year's dues will be waived.
Student Sections may charge an additional fee. Check with your ASME student section advisor.

Code of Ethics of Engineers

The Fundamental Principles

Engineers uphold and advance the integrity, honor and dignity of the engineering profession by:

- I. using their knowledge and skill for the enhancement of human welfare;
- II. being honest and impartial, and serving with fidelity the public, their employers and clients; and
- III. striving to increase the competence and prestige of the engineering profession.

The Fundamental Canons

1. Engineers shall hold paramount the safety, health and welfare of the public in the performance of their professional duties.
2. Engineers shall perform services only in the areas of their competence.
3. Engineers shall continue their professional development throughout their careers and shall provide opportunities for the professional and ethical development of those engineers under their supervision.
4. Engineers shall act in professional matters for each employer or client as faithful agents or trustees, and shall avoid conflicts of interest or the appearance of conflicts of interest.
5. Engineers shall build their professional reputation on the merit of their services and shall not compete unfairly with others.
6. Engineers shall associate only with reputable persons or organizations.
7. Engineers shall issue public statements only in an objective and truthful manner.
8. Engineers shall consider environmental impact in the performance of their professional duties.
